

## Les Brasseries Anciennes du Québec (The Old Breweries of Quebec)

1665 - 1965

By Eric Guillemette

A bold exercise spanning three hundred years of Quebec history, from the commencement of brewing in 17th century New France to the large industrial concerns of the 19th and 20th centuries, some of whom still resonate today.

This 300 page volume is a treasure trove of classic and obscure Quebec brewery artifacts and advertising with over 500 images to titillate and delight the reader.

A must for all serious Canadian breweriana collectors or those who simply enjoy the historic graphic artistry which even today is woven into the fabric of Quebec society. Text in French.

\$40.00 plus \$15 shipping in Canada (Paypal, Cheque or E-transfer)

Combined shipping available
